

European Governance and Geopolitics of Energy

The Ifri Energy Program presents as part of the

Ifri Energy Breakfast Roundtable series

***Un-bundling, Regulation and Network coordination :
How the third liberalisation package will change power markets?***

On Tuesday, April 8th, 2008, 9:00-11:30 am

Conseil Central de l'Economie
Conference Room N° 6 - First Floor
18/20 Avenue d'Auderghem, 1040 Brussels
Metro: Schuman

(registration : 8:45 am)

With

Key note speaker: **Pierre BORNARD**, Senior Chairman of ETSO Steering Committee,

and

Matthias DÜRR, RWE Representative in Brussels, RWE

Chairman: **Jacques Lesourne**, Chairman of the Scientific Committee of the Ifri Energy Program,
Moderation: **Jan Horst KEPLER**, Professor of Economics at Paris-Dauphine University and
Senior Research Fellow with the Ifri Energy program.

The experts will present their views on the third liberalisation package of EU Energy legislation launched by the Commission in September 2007. They will discuss the impact on the internal market in electricity and natural gas. Following their presentations, the experts will answer questions from the audience.
